Your Dashboard will now show "Application Pending" until the team's lead coach/mentor has accepted the youth application. Repeat process for additional students.

The screenshot shows a dashboard for a student named "Test Student". At the top, it displays "Age: 15" and "D.O.B: 1/1/2002". Below this, the "Team Membership" section shows the student is a member of the "Batman and Robin" team, ID "11682", in the "FIRST Tech Challenge".

On the right side, there is a "YOUTH OPTIONS" dropdown menu with the following items: "Apply to a Team", "Youth's Profile", "Youth's School", and "Youth's Consent and Release".

The main dashboard area is divided into three columns:

- Team Options:** Includes "Team Information", "Certificates & Awards", and a prominent "Withdraw Application" button.
- Team Finances:** Includes "Funds & Grants" with a note: "This team's season has made possible by the generosity of others. Let them know of your appreciation."
- Team Contacts/Roster:** Includes "Primary Contacts" (2 Youth Members, 5 Other Contacts), "Contact Options", and "Event Options".

A large, semi-transparent watermark reading "Application Pending" is overlaid across the center of the dashboard.
